

Press Release: Login Canada 25th Anniversary

April 6, 2016

April 1, 2016 marked the 25th Anniversary of Login Canada, the largest Scientific, Technical, and Medical Distribution Company in Canada.

Founded by Gary Cornelius and Marie Friesen in 1991, Login Canada began as and remains a family owned Canadian business and continues to exemplify the idea behind our motto, *"Bringing Quality Publishers and Exceptional Customer Service Together."*

To this day Login Canada is still driven by the spirit of our founders, which has enabled us to constantly push new boundaries and adapt to the ever changing market. Over the past twenty-five years, Login Canada has continued to grow and change with the Canadian Book Industry and will maintain that adaptability in the future.

The company's headquarters remains in the heart of Canada, with a new Corporate Office and Distribution Centre having been built in Winnipeg in 2007. We also moved our Mississauga Distribution Centre to a larger location in 2009 to accommodate the growth of the company. We consistently upgrade the capabilities of our systems, our services and our website features for our customers.

Throughout all of the changes to Login Canada, many things remain constant, including a strong commitment to our customers to provide quality service with speed and precision. We are also proud to offer fully customized representation for our publishing partners. Login Canada distributes over one million titles, including over 60,000 eBooks, from more than 600 publishers.

"I am proud to be a part of a world class team that consistently raises the bar, to provide the best service in the industry." said Mark Champagne, president of Login Canada. "After 25 years, Login Canada is more committed than ever to continue to earn our reputation for top-notch service. We would like to thank all of our partners, the publishers, librarians, and booksellers. Their guidance and support has been invaluable, and we are so honored to share this milestone with them. Throughout 2016, we will be taking a look at where we started, what we have achieved, and what our plans are for the future."

For the past twenty-five years we have been fortunate to build many great relationships with customers and publishers. These relationships, nurtured by our incredibly dedicated staff, have been the foundation of our business. Many employees are celebrating their 10th, 15th, 20th, and even 25th Anniversaries with the company this year and their commitment and expertise is instrumental in the success of Login Canada.

We are very grateful to have had such talented and devoted staff and reliable and supportive business partners for the last twenty-five years. With their continued support, we look forward to many rewarding years to come.
